

SEAN HEFFERNAN

TECHNOLOGY LEADER

PROFILE

An experienced leader with experience leading teams of 30+ engineers. Having spent 12 years delivering change in a regulated financial services industry I have developed a range of skills across business and IT with a reputation for creative solutions to complex challenges, ensuring successful outcome delivery.

I am a big picture thinker with a natural curiosity and a quick learner which allows me to bring stakeholders on any transformation journey and gain buy-in to big ideas. All these traits combined make me an ideal candidate to work with on delivering your business objectives

EXPERIENCE

TECHNOLOGY LEAD

Mar '23 - Present
